The James Meade Approach

We exclusively design collections for men and women from our Cumbrian based studio on the edge of the Lake District.

Sustainable Fabrics

We create timeless style using natural fibres and blends for optimum comfort. Every season, we order small volumes to limit waste and be kinder to the environment.

No Time Limit Guarantee

We offer a unique no time limit promise to exchange or offer a full refund if an issue arises with the quality of the products you order.

Alteration Service

Our inhouse seamstresses can shorten trousers, skirts and nightwear for a perfect fit. Full details can be found on page 94.

Incontinence Products

A range of products for all levels of incontinence. An absorbent core helps to reduce the risk of leaks and provides odour protection and skin dryness. Most products have a wetness indicator that acts as a guide to indicate when the pad needs changing. The absorbency levels are numbered from 3 (lightest) to 10 (highest) level of absorbency.

1 Contour Shaped Pads

Body shaped pads with Poly backed sheet designed to manage moderate to heavy incontinence. In absorbency levels 4, 6, 8, 10. (levels 6-10 should ideally be worn with our Stretch fit pants). **5T3**
 Level 4 (42 pack) **£16.99**
 Level 6 (35 pack) **£17.99**

Guide to size & measurement

Size And Fit Information Please note measurements shown in chart refer to body measurements. If you need further assistance or advice don't hesitate to reach out to our customer service team on 0330 024 1940. **Lengths** Our skirts are measured from below the waistband to the hem. Trousers lengths are measured from the inside leg. Jacket, coat, and dress lengths are measured from the nape of the neck to the hem. For sweaters and tops, back lengths may vary according to size, but we provide the average length. **Care Instructions** Unless otherwise stated in the product description, all our garments are suitable for machine washing. However, we recommend referring to the care label inside the garment for detailed care instructions. For further guidance call our customer service operators on 0330 024 1942.
